

**COMMUNITY EVENT: AUTUMN TIDY-UP 2018**  
**Withnell Fold**

The village tidy-up will be on **Saturday, 6th October at 11.00am** starting at the Millennium Green Orchard and moving to the Memorial Garden

**ALL WELCOME**

Thanks to everyone who took part last Autumn. Over 30 people (and a few dogs) were there to help. The Memorial Garden and Millennium Green (Backfield) were gifted to the village last century. They have since been

managed by volunteers (with support of Withnell Parish Council)

Activities will include pruning, bramble pulling, leaf-raking, path clearing, replacing some fruit trees, weeding and tidying the Memorial Garden in preparation for the service to commemorate the centenary of the last year of WW1. Chorley Borough will provide a skip for garden waste. Please bring garden tools and gloves if you have them

Kerry Jones (Memorial Garden/Millennium Green volunteer)
